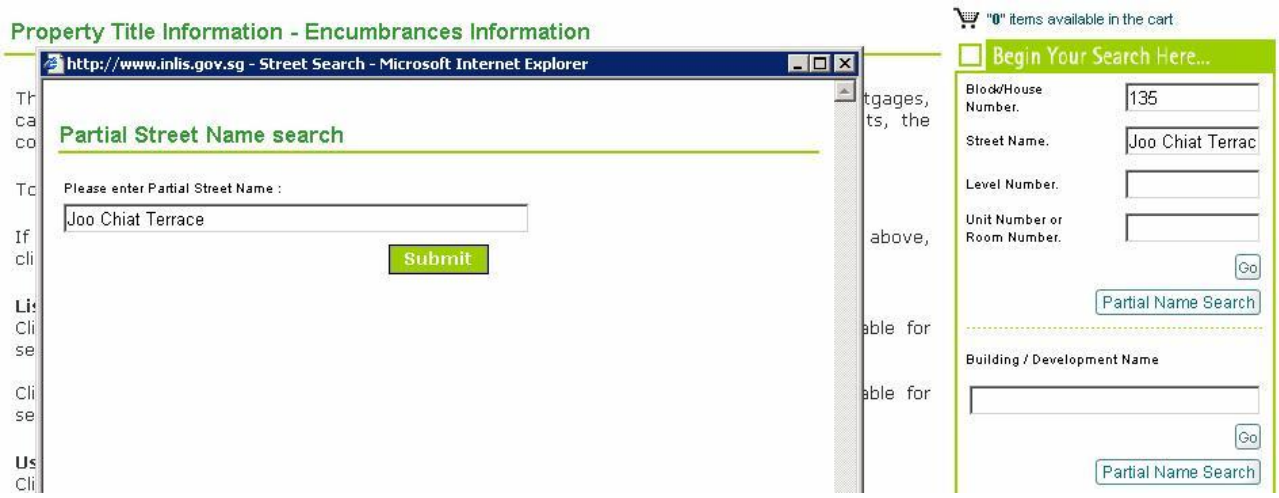
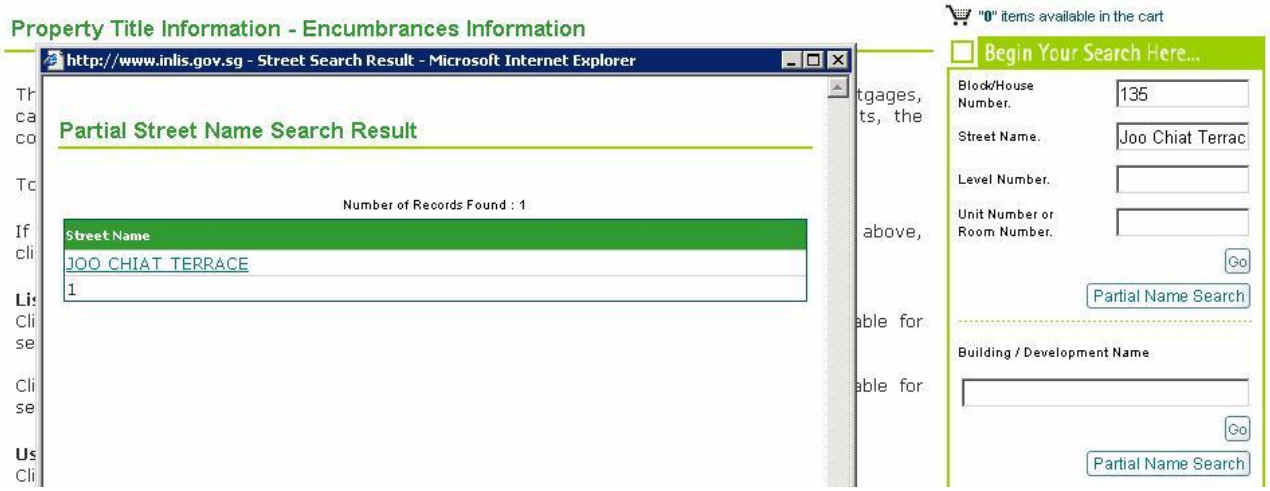
You can click on Partial Name search to ensure the spelling or existence of the Street Name entered.

Click on Submit to proceed.

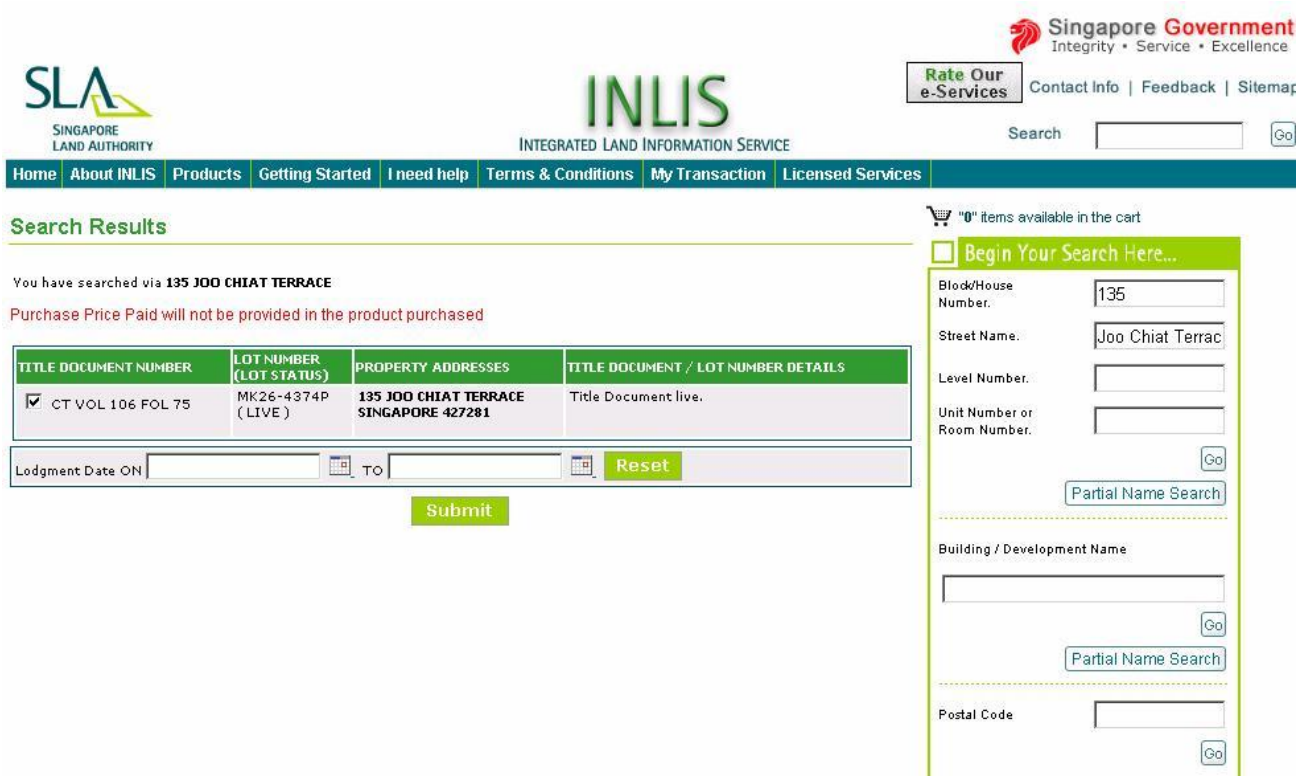


If the Street Name entered is correct, the following screen will appear. Click on the Street Name to confirm and click on “Go”.



You will come to a page that displays all the requested information pertaining to your search criteria. At this Search Results page, you can select the Title Document Number from the table by clicking on the check boxes. If the result yields only one Title Document Number, it will be pre-checked.

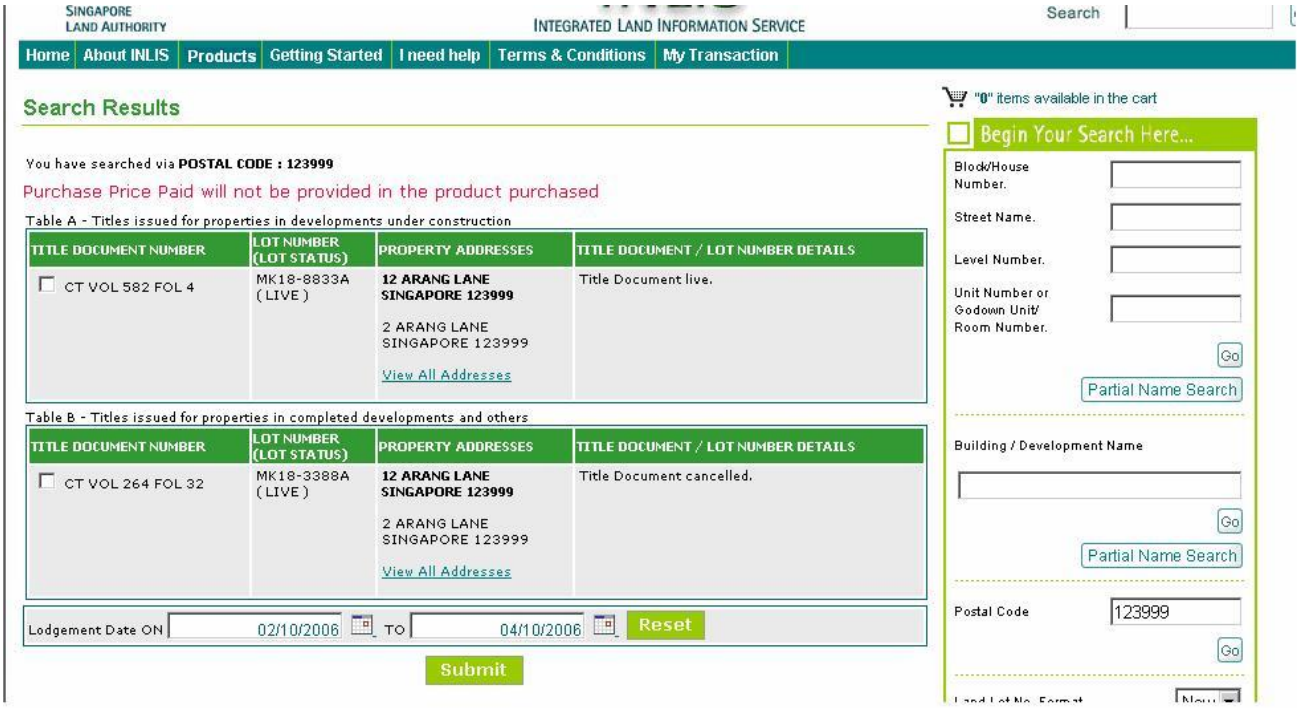
To proceed, click “Submit” button



For Search Results affecting Title Documents issued for properties in development under construction and for properties in completed developments, please refer to

2.1.1 Title Documents issued for properties in development under construction and for properties in completed developments

At the Search Results page, if the title documents are issued for properties in development under construction and for properties in completed developments, they will be displayed in Table A and Table B respectively. You will have to select the Title Document number either from Table A or Table B by clicking on the check boxes. If you wish to select Title Document Numbers from both Tables, you will have to perform each search separately.

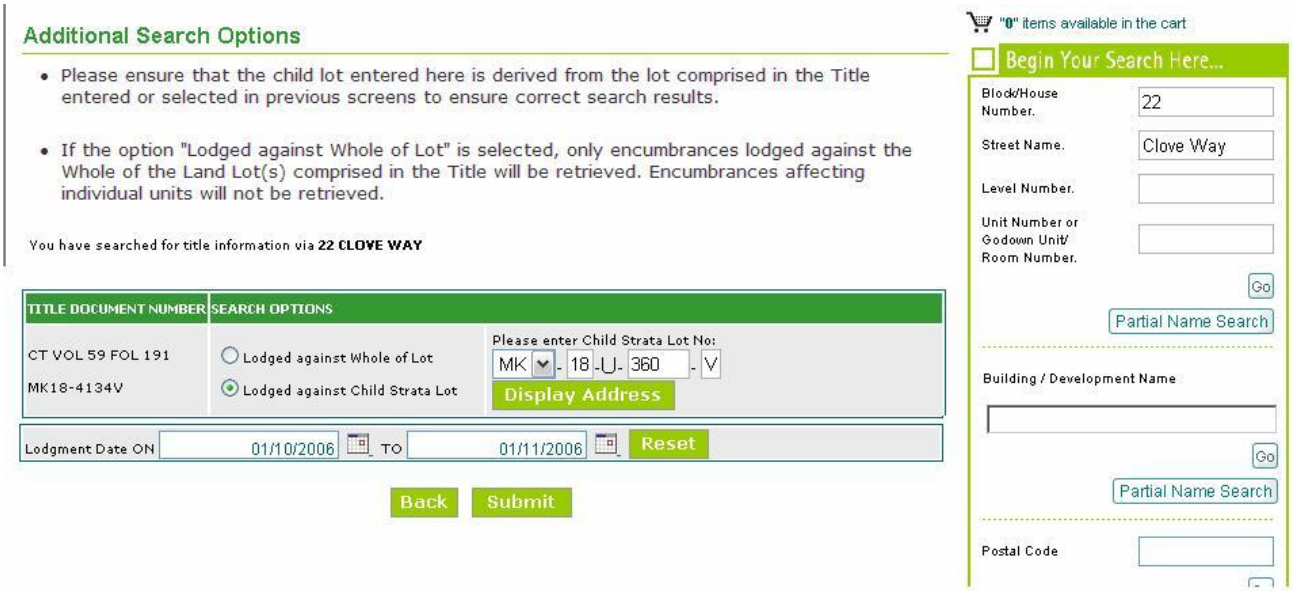


2.1.2 Additional Search Options

If the Title Document Number selected is a title issued for properties in developments under construction, there will be an Additional Search Options page. You may select “Lodged against Whole of Lot” button or “Lodged against Child Strata Lot” button or “Lodged against Child Land Lot” button. If you select “Lodged against Child Strata Lot” button or “Lodged against Child Land Lot” button, you will have to enter the Child Strata Lot Number or Child Land Lot Number respectively. You may also click on “Display Address” button to retrieve the property address of the Child Strata Lot or Child Land Lot.

Lodgment date is optional. You may enter the lodgment date to narrow down the search. If only ON lodgment date is entered, only subsisting encumbrances that were lodged on the date entered will be retrieved. If only TO lodgment date is entered, subsisting encumbrances lodged up to the date entered will be retrieved. If a range of lodgment dates is entered, all subsisting encumbrances lodged between these dates (inclusive) will be retrieved. However, if the lodgment date is not entered, all subsisting encumbrances on the title will be retrieved.

To proceed, click ‘Submit” button.



Additional Search Options
Please ensure that the child lot entered here is derived from the lot comprised in the Title entered or selected in previous screens to ensure correct search results.
If the option "Lodged against Whole of Lot" is selected, only encumbrances lodged against the Whole of the Land Lot(s) comprised in the Title will be retrieved. Encumbrances affecting individual units will not be retrieved.
